Best Wishes to Seniors—C. O. Speer and Son, Insurance, Waterloo

Dedication

With deepest appreciation for our educational opportunities; with a sincere promise of lives of honor, of ambition, of reverence; and with devotion to them for the ideals they have inspired: we, the Seniors of 1952, wish to dedicate this annual to our parents.

Theme

We, the Seniors of 1952, are grateful to the parents, faculty, and friends who have all helped to make our education possible. By their efforts we graduates can look back at our school years with pleasant memories and can look forward to the future with confidence.

Each of us has made plans for his future. We shall try to make our lives sublime by making use of the guidance we have been given.

We hope that through our efforts in school we have wisely influenced those who will yet continue their high school educations. We are grateful for the friendships we have made and only hope that our being has caused others to consider our presence as beneficial.

We have engaged in many activities throughout our school life. All of our extra-curricular activities have added knowledge, as well as variety, to our way of living.

We are thankful to be able to gain such a well-rounded education, and we hope that students yet to graduate will realize the meaning and joy in being able to experience such an accomplishment.

"Lives of Great men all remind us
We can make our lives sublime;
And, departing, leave behind us
Footprints on the sands of time."

This is the first year for William Malle on the School Board. Mr. Malle is employed by the Auburn Clutch and represents our town on the Board.

One of the important pillars of American democracy has been the free public schools. The idea of free public education to train and equip citizens to carry on the functions of an intelligent electorate came with the philosophy of self-government.

Early in the history of the United States the state constitutions empowered small groups to assume the responsibility of the operation of local educational institutions. Now we find small groups of citizens organized by law with powers to tax, employ personnel, and shape the educational policy of the school districts. These individuals are drawn from all walks of life. Almost all of them show a devotion to duty frequently at the expense of personal sacrifice.

Class Poem

Alfred likes his motorcycle, that is true;
If you don't watch out, he'll run over you.

Gloria's man is from Tri-State;
We know that someday marriage will be her fate.

Though Carol's heart is sad and lonely,
She will always wait for her one and only.

Chuck, the Vice, whose past is not clear,
Takes over the work when the president's not here.

Eugene is a lad who was here every day;
He kept coming and coming and couldn't stay away.

When we put our government books away to keep,
Bill will not know it for he will be asleep.

Life is the sentence Delbert's booked,
Cause his wife has got him hooked.

When it comes to sportsmanship,
You'll find Edison's name tops the list.

Shirley's cooking might not be grand;
But when it came to hunting, she found her man.

Roscoe's tomato crop was fine;
And we find that in the ag. field he really shines.

As Tom Rynearson hails from the farm,
Studying government does him no harm.

When it come to speeches, call on Tom Mohr,
Because in this he really scores.

Dorsey's a hero—a hero so tall;
He became famous by playing basketball.

Betty is bashful, quiet, and shy;
She plans on marrying by and by.

Phyllis, our historian, is cheery and bright;
Doesn't like government but says bookkeeping's all right.

Stan is a lad so stern and sound;
Most of his trips are Corunna-bound.

Bev Boren with eyes so bright and hair so brown
Is one gal who really gets around.

Anna Bell, who likes to sew,
Will soon be making her own trousseau.

Bev Zerkle, who is small and tiny,
Goes around thinking that she's mighty.

Betty is married to a sailor so true;
When he's not around, my! is she blue.

When a Ford goes down the street,
Look out! Shuman's in the driver's seat.

Margie will soon be going to college,
But without her Butch—What's KNOWLEDGE?

Life may be tough in our town,
But Ned doesn't let it get him down.

Max is longing for the 22nd of May,
Cause he'll no longer have to stay.

Aletha's plans are to be a secretary,
And in future years she hopes to marry.

George's little blue Ford goes down the street;
I bet it's Nancy he's off to meet.

Mary Ellen as bashful and oh so shy;
Just give her time and she'll catch a guy.

When it comes to schooling, Larry has no fear;
But if you want him to jump, just holler "Speer."

Nancy is going to I. U. to be a nurse;
If they turn her down, nothing could be worse.

I, Lois Laderman, am not a poet;
You needn't bother telling me, for I already know it.

Senior Class History

On September 9, 1940, eighteen of the present Senior Class presented themselves to Miss Getts of the first grade and demanded an education.

Miss Wisner and Miss Hamman guided us through the second and third grades. Miss Dirrim, Mrs. Kuehn, and Mr. Gurtner helped us through the fourth, fifth, and sixth grades. We were under the guidance of Mr. Shore and Mr. McIntosh in junior high.

We started our freshman school year with an enrollment of forty-one. Mr. Leslie was our faculty advisor.

Our sophomore year was another year which we enjoyed very much. We sold Christmas cards and stationery to raise money. We were very proud when we purchased our red and white sweaters. Mrs. Reed and Mr. Shideler acted as our faculty advisors.

During our junior year we presented our class play, "Bolts and Nuts," under the direction of Mr. Long with Mr. Buesking acting as our faculty advisor. In order to raise money for our senior trip we sponsored the school concession stand. That year we also purchased our class rings.

As seniors we had an enrollment of thirty-one. "The Monkey's Uncle" was a smash hit under the direction of Mr. Long. We sponsored several paper drives to raise money for the *Rosebud* and senior trip to Washington, D. C. Mr. Bowers helped with the *Rosebud* and Mr. Dove acted as faculty advisor.

Class Historian

"The Monkey's Uncle"

Gary Abershaw, handsome young architect and eligible bachelor, has invited his foster nephew, Tommy Piper, to spend the coming school year with him. Gary has never seen Tommy's eighteen-year-old sister, Bonnibel, and his mean stepfather, Sam Higgins. Gary plans to adopt Tommy and decides he must marry in order to provide his son with a suitable mother. He invites two candidates for that position to spend the week-end—a young widow, Lili Dazell, and his secretary, Rhonda Yates—much against the advice of his lovable, Negro housekeeper, Aunt Dosie. Unknown to Gary, Sam Higgins is trying to force Bonnibel to marry his half-baked son, Milo, in hopes of getting her property in his hands. She runs away and arrives at Gary's, dressed in Tommy's clothes and carrying a pet skunk, creating a perfect furor! Bonnibel, head over heels in love with Gary, determines no other woman shall marry him. Accordingly, she plays all manner of monkey tricks on her rivals, Lili and Rhonda. With the aid of her pet skunk, Sweet William, Bonnibel thwarts her enemies, routs Sam Higgins and Milo, and finally captures the man of her heart and ends the play in a whirlwind finale.

Junior Class History

When the school year of 1951-1952 opened, thirty-four students enrolled in the Waterloo junior class. Bob Kerns, a new member, moved away after several months which made our total membership thirty-three. Mr. Clarence Buesking, our class sponsor, has helped us through a very successful year.

In the fall the class held a hayride at the home of Nellie Rudolph; we then returned to the school house for a square dance and refreshments.

November was the month in which we received our class rings—tokens which will later recall to us many memories of high school.

Four boys in our class took part in sports, sixteen students were in chorus, eleven were in band, and nearly all were members of some club in school. Emogene Hilkey was a cheer leader and George Walter served as student manager of the basketball team.

Our junior class throughout the year operated the concession stand. All profits made from this were put with funds in the treasury to be used in paying the expenses of our trip to be taken at the close of our senior year.

Sophomore Class History

In October the class and guests enjoyed a hayride and weiner roast at the home of Helen Shultz. Cider and doughnuts were served. Sponsors were Mr. and Mrs. Max Riggin and Mr. and Mrs. Kenneth Reed.

The class took an active part in the selling of Christmas cards in October and November. The class made a good profit, which is to be used for senior activities.

The new class sweaters caused quite a discussion among classmates. The colors which were finally decided upon were purple and white.

The sophomore class lost several classmates to neighboring schools. Max Barnett moved to Auburn. Cleon Knott and Barbara Milks are now attending Fort Wayne schools. Richard and Russell Warstler moved to Garrett. Jo Ann Johnston moved from St. Joe to Waterloo.

Eleven members of the class are in chorus, and twelve members participate in band. Seven boys belong to F. F. A. Six girls belong to F. H. A., and nine members are in the Caesar Latin Club.

Last summer a surprise farewell party was held at the home of Laura Gratz for Barbara Milks. The class joined together in buying a rhinestone necklace and bracelet for Barbara.

Freshman Class History

The class of "55" has begun its last four years of knowledge before going to college.

Mrs. Thompson started us on the long road of knowledge. In the second grade Mrs. McIntosh helped us a great deal. Miss Hamman, Miss Dirrim, Mrs. Kuehn, and Mr. Gurtner continued to help us in our education.

Mrs. Kuehn, Mr. Shore, and Mr. McIntosh were our teachers in junior high.

Our junior high team, coached by Mr. McIntosh, won over half of its games. Analie Wiseman and Jane Miller were the yell leaders.

On September 3, 1951, thirty-nine were enrolled in the freshman class. There were eighteen from Richland and one from Fairfield Township. Later one from Waterloo and one from Richland quit. Dolly Esselburn came from Garrett and joined our class for about a month. She then moved back to Garrett.

The freshman class had a hayride in October followed by a weiner roast. Our chaperons were Mr. Leslie, Mr. Riggin, and Mr. Bowers. Everyone had a wonderful time.

Eight freshmen joined the band; two of them were color-guards. Six members participated in chorus.

Following a parade led by the school band, this celebration was held in the gymnasium on October 31. There were many who came masked and prizes were given for originality and for the best costumes. Cider, doughnuts, and popcorn were free for all to enjoy. Included in the evening's entertainment was an amateur program, featuring school talent.

The Future Homemakers of America was organized in Waterloo in 1938. FHA is organized especially to further interest in home economics. To be eligible for membership they must have had some training in Home Economics.

The motto of the club, "Toward New Horizons," means learning to live better today in order that our lives and those of our families may be better tomorrow.

The Waterloo Chapter has 29 members. At Christmas time the girls made and sold caramels. Also, a box of clothing was sent to an orphanage in Japan. The chapter officers initiated the Ashley FHA, who started a new chapter this year. FHA Week was represented by placing posters in store windows and the members wore aprons to school. The girls assisted in presenting the style show. Some of the girls attended a district meeting at Gas City, October 6.

As a group, we Y-Teen girls this year have gone all out to make our club into a service organization. We sincerely hope that through such service projects and the guidance of our leaders we have raised the Christian ideals of our girls.

Of our sixty-one members, twenty-six new girls joined this year and were greeted in a lovely candle-light initiation.

Our current officers are:

President	Karen Bisel
Vice-President	Lusina Smith
Recording Secretary	Janet Farrell
Corresponding Secretary	Leoma Vian
Treasurer	Doris Leins
Chorister	Jeanette Owen

Of course, we mustn't forget the limitless efforts of our sponsor, Mrs. Kenneth Reed, and the driving and cooking of our Y-Teen mothers: Mrs. James Zerkle, Mrs. Clide Boman, Mrs. Merle Bisel, Mrs. Willis Weirich, Mrs. Chester Shultz, and Mrs. Waldo Bowman. Mrs. Wayne Voss, Miss Gale Brown and Mrs. Robert Love also acted as group sponsors.

We started the year off by taking a nice-sized group to the Y-Teen conference at Salem Center where we absorbed new ideas and made new friends. Among our own group we exchanged names for "mystery pals."

From last year we continued to take charge of stamp sales and joined the Hi-Y for Christmas caroling. For new service projects we sent girls to usher at various public activities such as the minstrel show and Christmas Pageant, shipped a large carton of chocolate bars to Germany, and took charge of selling the shirts and caps for the P. T. A. An art lesson was taught by Mrs. Voss in which we made flannel Easter dolls to give to children. The high school students and faculty were our guests at our traditional Easter service; Rev. A. L. Brandyberry was our speaker. Perhaps we feel that our most noted work was that of joining with the Hi-Y to present several chapel services before the student body.

Four teams were chosen for the purpose of sponsoring a "Let's Go to Church" contest among the girls. The losing teams planned a theatre party for the winners.

Our spiritual beliefs have been further heightened by devotions at our regular meetings—some were led by adults and some were directed by Y-Teen members. On Saturday, March 22, we went to Fort Wayne to visit several churches. Our agenda included a tour of the Cathedral of Immaculate Conception, Trinity English Lutheran Church, Jewish Temple, and the First Mennonite Church. We have tried to live up to a code of ideals set up by a committee of our girls.

The Chorus was again assembled under the direction of Mrs. Wayne Voss. They met in activity period on Wednesday and Friday of each week with Monday set aside for Ensemble.

This year private lessons were again offered by Mrs. Voss and nine students took advantage of receiving an extra credit.

Eight members of the chorus entered solos and small ensembles in the district contest held at Fort Wayne.

We find that we have fine musical talent among us as there were two superiors and six excellents. The superiors entered the state contest at Indianapolis and there received one superior and one excellent.

There are nine members who will graduate in May. We are sure that W. H. S. has a fine organization which will become better each year.

ENSEMBLE

This year the high school Ensemble was again organized and the places vacated by the graduates last year were filled.

We have appeared at various churches and presented programs which not only included vocal numbers by the ensemble, but also solos and smaller groups taken from the ensemble. By visiting and presenting programs at many churches, we are learning about various manners in which worship services are carried on. We are very proud of the fact that we find the Methodist, Christian, and Evangelical United Brethren Churches represented in our organization.

The Ensemble again this year played an important part in the annual Christmas pageant. We are looking forward to the Spring Festival which will include many different vocal numbers.

This year we find that four members will graduate from the organization.

Girls' Trio

The Girls' Trio proved again this year to be a very popular organization to the community. They have appeared on a number of occasions at different clubs and also added their talent a number of times at the high school chapel programs.

The Trio entered the District Solo and Ensemble Contest and received an excellent rating, proving that we have a fine ensemble. Two of the members, Jeanette and Bobbie, entered a vocal duet at the same event and have appeared also at special programs.

This year none of the girls will graduate; therefore, they are looking forward to a greater success next year.

Boys' Quartettes

John Rhoadarmer, Alan LaRowe, Fred Kogin, Delbert Zerkle

Last fall eight boys became interested in male quartette work. They all met together once a week and practiced. Then Mrs. Voss divided them into two quartettes according to the blend of their voices.

Tom Mohr, Aaron Tribbett, Dorsey Fields, Delbert Zerkle

One quartette has sung for chapel services, church programs, and other programs. Besides the enjoyment they have received from singing together, they hope to improve more in another year and establish themselves as a regular organization in the Vocal Music Department.

Majorettes

Bobbie Bowman, Helen Shultz Mary Lou Weirich, Phyllis Koon, Rhoada Rudolph, Leoma Vian

The majorettes were a feature attraction at nearly every basketball game this year. The crowd was entertained between games with their intricate maneuvers and twirling. Much time and effort was spent on rehearsals of routines and showmanship. Fortunately, none of our twirlers will be lost by graduation. The distinctive black velvet uniform trimmed in gold adds flash and a uniform appearance to the front of the marching band. In the State Twirling Contest at Auburn, October 13, Bobbie Bowman and Helen Shultz, and Phyllis Koon and Mary Lou Weirich placed in first division with twirling duets. The ensemble as a whole was placed in second. Waterloo School is proud of its majorettes.

Drum Major

Our capable drum major, Emogene Hilkey, led the band to victory on two occasions: the DeKalb County Fair where the band was awarded the Sweepstakes Trophy, Best Uniformed Band, and Best Drum Major; and the State Marching Contest where the Band was awarded first division. This is Emogene's first year as drum major, and she has done a fine piece of work with the Marching Band.

The Senior Band under the direction of Mr. H. R. Long has played numerous engagements throughout the year. The band was awarded the Sweepstakes trophy at the DeKalb County Fair and Emogene Hilkey was awarded the trophy for the best Drum Major. The Marching Band placed Superior in the State Marching Contest for Class C Bands with a score of 95.7 and scored second highest of all the bands participating.

The Waterloo Band Parents have generously given their time, effort, and financial assistance in buying new uniforms and equipment for the Band this year. The officers of the Band Parents are: Mrs. Laverne Stuckey, president; Mrs. Russell Walter, vice-president; Mrs. Lloyd Simons, secretary; Mrs. Merle Bisel, treasurer.

Throughout the year the band has played for basketball games and numerous other public performances. One of the highlights of the year was playing for the Zollner Pistons at Fort Wayne.

Nancy Boman, Tom Mohr, Karen Bisel, Donna Vee Wolford, Myrnalie Ayers, Mary Lou Weirich, John Engle, Pauline Blair, Jim Simons, and Delbert Zerkle represented Waterloo High School at Butler University in Indianapolis in the All State Solo and Ensemble Contest on February 16. A large number of students from both the Junior and Senior Band also took part in the Northern Indiana Solo and Ensemble contest at Harrison Hill School in Fort Wayne, February 2.

The Senior Band has fifty-seven members; but we lose Tom Mohr, Shirley Speer, Nancy Boman, Bill Stuller, and Delbert Zerkle by graduation this year. Members of the Junior Band who will be in the seventh grade next year will be called upon to keep the quota of the band up to par.

Baseball

SEPTEMBER 2, 1951

The first game of the year for the Waterloo Wildcats was with the Ashley Aces, winner of the Tri-County Baseball League for the past two years. Not having had much practice together for the coming season, our team made many misplays which let several unearned runs in for Ashley. The score at the end of the sixth inning was 5-5. However, Ashley broke out with five big runs in their half of the seventh, while Waterloo scored but one run as Ashley came out on the long end of a 11-6 score.

SEPTEMBER 7, 1951

The next game for the hustling Wildcats was with the pesky Albion Trojans. The score was tied at 4-4 for six innings. Waterloo had fewer errors this game; but when we did make one, it really hurt. In the top half of the seventh we got steamed up and scored two runs. But during their half of the seventh Albion got three runs, beating out Waterloo by a score of 7-6.

SEPTEMBER 11, 1951

The Waterloo Wildcats played host to the Butler Windmills. Butler started off by getting two runs in their half of the first inning with Waterloo managing but one run in theirs. At the end of the fourth inning we found ourselves on the short end of a 10-1 score. In the remaining innings Waterloo was able to score only four runs with Butler picking up two more, making the score 12-5 in favor of Butler.

SEPTEMBER 15, 1951

ST. JOE—Nov. 2.

On Friday night, November 2, Waterloo started their 1951-52 basketball season against the St. Joe Tigers. The game started off slowly in the first quarter with the score 8 to 6 in favor of Waterloo. With both teams settling down in the second quarter, each team scored 15 points to make the half time score read Waterloo 23—St. Joe 21. In the third quarter Waterloo held St. Joe to 6 points and scored 11 themselves to lengthen their lead to 34-27. In the final quarter both teams became hot with St. Joe scoring 19 points to Waterloo's 17, making the final score Waterloo 51—St. Joe 46. Williams and Hissong were high point men with 15 and 10 points respectively.

ANGOLA—Nov. 9.

The game started off with Waterloo pepped up and ready to beat a much taller team. In the first quarter Waterloo was off and running with an 11 to 5 lead. In the second quarter Angola was able to make a slight comeback; but Waterloo, using a slow possession game, still was able to hold a lead of 17 to 15 over Angola at half time. In the third quarter Angola opened up with 19 points to Waterloo's 13 to take the lead away from Waterloo. In the final period Waterloo was not able to overcome the lead that Angola had built up; consequently Angola won 45-40. High point men were Fields with 14 points and Hissong with 10 points.

SPENCERVILLE—Nov. 14

After losing a hard fought game to Angola, Waterloo was out for revenge against their next opponent, who was Spencerville. In the first quarter Waterloo was able to obtain a lead of 5 points. During the second period the Wildcats again scored 5 points to stretch their lead to 31-21. The third quarter found Waterloo tightening their defense, while their heavy offense was clicking as they outscored Spencerville once more 14-7, making the total score Waterloo 45—Spencerville 28 at the end of three quarters. Mr. Dove gave his reserves the responsibility of holding in the last stanza the lead that Waterloo had held during the entire game. The final score in favor of the Waterloo Wildcats was 56 to 38. Fields was high with 16 points followed closely by Williams' 15.

AVILLA—Nov. 21

The first quarter started off with neither team clicking too well. In the second quarter Waterloo started to pull away by scoring 11 points; during this time Avilla could only score 6 points, making a half time score 19-14 in favor of the Wildcats. In the third quarter Waterloo was still pouring it on outscoring Avilla 17-6. The fourth quarter was the only quarter that Avilla outscored Waterloo 15-8, but that was not enough. When the gun sounded ending the game, the Wildcats were out in front 44-36. Hissong was high with 11 points; Shippy was second with 10.

PLEASANT LAKE—Nov. 27

With the Wildcats holding a record of three wins and a lone defeat, Pleasant Lake came to town for their next game. In the first quarter Williams connected for 10 points to help lead Waterloo to a 15-10 advantage. During the second stanza the Wildcats' offense slowed down scoring only 10 points; but their defense tightened up holding Pleasant Lake to 5 points, making a half time score of Waterloo 25—Pleasant Lake 15. The third quarter found the Wildcats continuing their tight defense allowing Pleasant Lake 7 points, but their fast break started clicking to score 23 points to take a third quarter lead of 48-22. With the final quarter getting under way, the Wildcats continued to be hot scoring 24 more points, while Pleasant Lake managed 14 to make a final score of Waterloo 73—Pleasant Lake 35. Williams led with 14 points; Hissong was next with 10.

HAMILTON—Dec. 7

Waterloo traveled to Hamilton for what they thought was going to be an easy victory for the Wildcats. The first quarter was pretty much Waterloo, who had secured a lead of 14-9. In the second period Hamilton fought back to make the game more exciting by outscoring the Wildcats 12-9, but Waterloo still had a half time lead of 23-21. With the Wildcats outscoring the Marines in both remaining quarters, Waterloo came out on top with a 50-43 victory in a conference game. Hissong and Fields were high with 16 and 11 points respectively.

LIGONIER—Dec. 14

The tall Ligonier Red Raiders came to town to provide the Wildcats their next opponent. The record of the Fighting Wildcats now stood five wins and two losses. The first quarter started off

slowly with Waterloo having an 11 to 6 edge over their taller opponent. In the second stanza the Red Raiders made a slight gain on the Wildcats by out scoring them by one point, but Waterloo went down to their locker room holding a 24-20 half time lead. During the third period both teams managed to stay even by each scoring 11 points, but the Wildcats were still clinging to a 35-31 advantage. ASHLEY—Dec. 18

In the first quarter Ashley started off rather fast by taking a 15-10 lead. This being a conference game, the Aces were fighting desperately for a win to become tied with the Wildcats in the league standings for second place. During the second period the Wildcats tightened their defense by holding Ashley to just 3 points while scoring 14 points themselves. The third stanza started with Waterloo holding a 24-18 advantage, but the Wildcats were outscored by 1 point during this time. The fourth quarter found Waterloo outscoring the Aces again by 2 points to make the final outcome of the game read Waterloo 46—Ashley 39. Williams was high point man with 14 followed by Hissong with 13.

ALBION—Dec. 28

In the first quarter Albion's strong defense held the Wildcats to 6 points, while they were able to pick up only 9 points. During the second period Waterloo started working better by scoring 12 points to Albion's 13, making the half time score read Albion 19 to Waterloo's 18. In the third stanza the Wildcats started to use their fast break on offense and it looked very good. The Wildcats marked up 20 points in that quarter to Albion's 13, making a lead of 6 points for Waterloo. The last quarter found Albion not giving up and outscoring the Wildcats 16-13, but they were still on the short end of a 51 to 48 final score. Fields made 20 points, while Williams scored 11.

ASHLEY—Jan. 4

Ashley, being beaten once by Waterloo earlier in the season, was out after Waterloo to even the score. The first quarter started very close with each team scoring 12 points. During the second period the Wildcats defense allowed Ashley only 1 field goal and 3 free throws for just 5 points, while Waterloo scored 16. The half time score was Waterloo 28, Ashley 17. Ashley never gave up during the third stanza and outscored the Wildcats 19-11, but Waterloo clung to a three-point lead. In the last quarter the Wildcats weren't going to let the Aces overtake them. They outscored Ashley 20-14 to make a Waterloo victory of 59-50. Fields accounted for 18 points; Williams scored 14.

ANGOLA—Jan. 18

Having just won their first county tourney, Waterloo had the task of trying to beat Angola, who earlier in the season had handed them one of their two defeats. The first period saw the Wildcats jump off to a 13-9 lead over a taller Angola team. With Waterloo fighting all the way, they once again outscored the Hornets in the second period to take a half time lead of 25-17. The third quarter found the Wildcats losing their lead by letting Angola outscore them 17-7. This gave Angola a 34-42 lead going into the last quarter. Waterloo never gave up and came back in the fourth quarter to outscore the Hornets 12-11, but it wasn't enough. Angola squeezed by with a 45-44 hard-fought victory. Fields paced the Wildcats with 13 points and Hissong scored 11.

GARRETT—Jan. 22

In the first quarter neither team was hitting too well. Waterloo picked up 12 points and was able to hold Garrett to 8 points. In the second quarter the Wildcats started to pick up steam and tallied 17 points while the Railroaders picked up only 11. The Wildcats outscored Garrett in each of the first two periods; they had a half time lead of 29-19. The third quarter found neither team hitting too well. Both teams scored 8 points. In the fourth quarter both teams started hitting with Waterloo picking up 21 and Garrett 19. Garrett was unable to overcome Waterloo's lead. Waterloo won by 58-46. Fields scored 25 points; Williams and Frick each had 8.

FREMONT—Jan. 28

The Fremont Eagles came to town to try to defeat the Wildcats. In the first quarter they ran neck and neck. Waterloo outscored the Eagles by a lone field goal to make the half-time score 26-24.

COUNTY TOURNEY

BUTLER—JANUARY 12—2:30 GAME

For the first game in the afternoon the Waterloo Wildcats met the Butler Windmills. In the first quarter the Wildcats managed to score 11 points, while holding Butler to 9 points. In the second quarter the Wildcats defense tightened and held the Windmills to one lone free throw. Waterloo scored 4 field goals to make the score at the end of the first two periods read Waterloo 19, Butler 10.

The third quarter saw Butler starting to whittle away at Waterloo's lead. They ripped the Wildcats wide open by scoring 21 points in the third stanza. Waterloo maintained a lead by scoring 16 for themselves, which made the score read 31-35 in favor of Waterloo.

In the fourth quarter both teams held their own. Waterloo scored 14 and Butler scored 15; Waterloo won 49-46. Hissong and Williams each bucketed 15.

8:15 GAME

Waterloo, having beaten the tough Butler Windmills in the Saturday afternoon game, got their chance to play the Ashley Aces for the third time during the season for the final game of the Tourney. Ashley started off strong by taking a 13-9 first quarter lead. Ashley, trying to take the tournament two years in a row, again outscored the Wildcats in the second stanza by 4 points to take a 24-16 half time lead. But that wasn't the end of it for the Wildcats. They came out the second half and staged a great comeback to tie the score at the end of three quarters 30-30. Waterloo knew if they didn't do something the last quarter, Ashley would be cutting down their nets. The last quarter found the Wildcats running Ashley ragged, and the Wildcats went on to win their first Tourney 49-39. This was the greatest thrill that ever came to a Waterloo basketball team. Fields was high point man with 18 points. Hissong followed with 12.

And in addition to this Mr. Knott, our town marshall, has been a great help in controlling automobile traffic at our two dangerous crossings on state road 27.

This year through the efforts of the P. T. A. we received four new raincoats, and these are greatly appreciated by all members of the safety patrol.

Often we overlook the important position our janitors hold. This year Mr. Diederich was employed to help Mr. Kohl. Together they have done efficiently a tremendous task.

In October Violet Esselburn came from Garrett, but was here only a month until she returned to her former school.

The sixth grade boys played several basketball games during the year, winning from Taylor's Corners, Angola, and Ashley and losing to Hamilton.

We helped in the Christmas program. We also sold tickets for the P. T. A. pancake supper.

One of the most interesting days of the year was a train ride to Kendallville where we visited the Kraft Milk Company.

We also made a trip to Fort Wayne where we made a tour through the Coca Cola Company.

The flu epidemic caused many of us to miss school in February.

Those taking part in the Music Solo and Ensemble Contest at Harrison Hill in Fort Wayne were Keith Miser, Barbara Skelly, and David Coleman, who were awarded First Division ratings. The clarinet quartet, Keith Miser, Barbara Skelly, Betty Nessel, and Tommy Gettys, also won First Division rating.

This year we have plans for a short trip.

We have enjoyed having the mothers visit our room and feel we have had a successful school term.

We enjoyed a train ride to Kendallville where we went through the Kraft Candy Plant. We returned by bus.

The third grade became interested in science early in the fall and have remained interested all year. We have studied leaves, birds, plants, and animals. Our library is a very good source of science material.

Another interest was our country. Pictures showing scenery from the different states have been collected. A knowledge of the location of these states has been gained.

Attendance has been very good with the exception of a few weeks during the "flu" season.

Some of the entertaining features of our school year have been a Christmas party, a Valentine party, and basketball games with other grades.

The third quarter found the Waterloo defense tightened; they held the Eagles to 7 points. Waterloo was still unable to hit that basket, only getting 12 points. In the final period Fremont fought desperately to catch the lead that the Wildcats maintained throughout the game. Waterloo enjoyed a 59-50 victory. Fields netted 16 points and Hissong scored 14.

WOLCOTTVILLE—Feb. 1

Wolcottville provided the Wildcats with their last conference game. This game was a "must game" for Waterloo to stay in the league running. The first period started off as if Wolcottville had other ideas when they took a lead of 16-12. During the second stanza Waterloo came back a trifle, but we were still behind at the half by a score of 26-24. The Wildcats really poured it on in the third quarter by outscoring the Bulldogs 21-10 to take the lead of 45-36. The last quarter was evenly matched with each team scoring 15 points. The final score was Waterloo 60, Wolcottville 51. Fields poured in 18 counters; Hissong and Fellers each accounted for 10.

HUNTERTOWN—Feb. 8

During the first quarter the Huntertown Wildcats jumped off to a 15 to 11 lead. In the second quarter both teams fought very hard. Huntertown again outscored the Wildcats of Waterloo 15-14. In the third quarter Waterloo came out with determination on their faces, and they showed that they were out to win. Waterloo enjoyed a 4-point lead in the third quarter, but Huntertown quickly came back to make the third quarter score 44-37. In the fourth quarter Waterloo was unable to overcome the lead. Waterloo suffered its fourth defeat of the season by a score of 58-46. Hissong rang up 15 points, while Fields hit for 12.

BUTLER—Feb. 22

The Butler Windmills came to town for the last scheduled game of the season for both teams before the sectional tourney. The first quarter started out rather slowly with each team scoring 9 points. The second period continued to be the same way as each team scored 9 points again to make the half time score read Waterloo 18—Butler 18. The third stanza became the difference of the ball game as the Wildcats poured it on to outscore the Windmills 17-9. Waterloo held their own during the final quarter to protect the lead they had built up with each team scoring 10 points. The final score found the Wildcats with a victory by the score of 45-37. Hissong was high point man with 13 points followed by Fields with 9.

HAMILTON (Sectional)—Feb. 27

In the first quarter Waterloo was not too hot on offense scoring 11 points, but their defense was exceptionally good holding Hamilton to 4 points. The next quarter Hamilton outscored the Wildcats by a score of 15-14 making the half time score 25-19 in favor of the Wildcats. In the third quarter neither team was hitting too well, both teams getting only 7 points. In the last quarter Waterloo outscored Hamilton 14 to 7. The final score was Waterloo 46-33. Waterloo was ready to move to the second game of the tournament.

GARRETT (Sectional)—Feb. 27

Having won their first game in the afternoon, Waterloo had to come back that night and play the dangerous Garrett Railroaders to finish the Wednesday part of the Sectional Tournament. The first quarter found the Wildcats colder than the weather outside. They scored only 3 points during this time while Garrett scored 6 points. The second period found Garrett warming up, and they outscored the Wildcats 15-7 to take a 21-10 advantage. The Wildcats came back the second half with fire in their eyes and outscored Garrett 15-7 to bring themselves back into the ball game. Waterloo, still not in the lead, again had to outscore Garrett, which they did in the final quarter by 11-6. By coming back strong the second half, they squeezed out a 36-34 victory to go to the semi-finals of the sectional. Fields scored 12 points and Hissong 8.

SCOTT CENTER (Sectional)—March 1

Waterloo traveled to Garrett for the next session of the Sectional Tournament.

In the first quarter Waterloo managed only 10 points due to Scott Center's tight defense. Waterloo's defense was also very tight, holding Scott to only 7 points. In the second quarter both teams were hitting pretty well. The defense was very ragged on both teams and each managed 15 points. At the half time Waterloo was enjoying a 3-point lead, 25-22.

The third quarter found Scott Center, which scored 25 points, red hot. Scott Center's defense was just about as good as its offense; they held the Wildcats to 10 points. During this quarter Waterloo lost its lead and was trailing 35-47. The fourth quarter the Wildcats were fighting desperately to get back in the game. But the 12 point lead was too much for the Wildcats. The game ended 59-55 in favor of Scott Center.
